

# Baron Straw

Essalam Latex and Plastic Factory  
(Since 1999)

**Straws**  
THAT ADD VALUE

# About us

Essalam Latex and plastic factory was founded in 1999. The company manufactures its products in-house, employing over 150 professionals in Alexandria, Egypt.

Since launching, the straws hit the ground running, witnessing instant success, leading to today's impressive supplies to more than 10 factories all over Egypt.

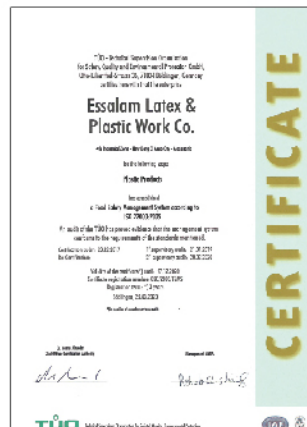

Baron straws are composed of food grade polypropylene wrapped in a bi-oriented polypropylene transparent film complied with FDA regulations.

Currently Essalam Latex Produces two types of Straw

- 1- I-shape straws
- 2- U-shape straws

All Straws apply to Tetra Pak and Combibloc.

We are able to extend to any type or color agreeing to client's request. Our target is to meet clients fulfillment and appreciation by giving them the finest straws with highest quality and exceedingly sanitized work environment

## Add a straw ... Add value

Baron straw add value to your package. The best manufacturing process have been documented and are being implemented. Our straws are ISO 9001 , OHSAS 18001, ISO 22000 certified.

### I-Shape Straw
